Each entrant is responsible for presenting a well prepared roadworthy vehicle at the start. Participants should be suitably competent to maintain their car throughout the event. Scrutineering roadworthy checks may be carried out en route at unspecified times to determine the working order of lights; brake lights; indicators; horn etc. All cars must have a road fund licence, certificate of roadworthiness, (i.e. MOT for UK) and insurance, including a Green Card. Madrid-Vila Real-Madrid 2014 identification plates and numbers will be provided for each car, these are to be attached at the front, rear and side, and must be visible throughout the event.

8. Entries:

The entry will have a maximum of 35 cars. The entry list will open on 8th July 2013 and close on 1st May 2014. The entry fee is £750 per person (full payment received prior to 6th January 2014). After this date the entry fee rises to £780. The entry fee includes: 6 nights bed & breakfast in hotels on the 18/19/20/21/22/23 (sun/mon/tue/wed/thu/fri) May. Hotels are based on two sharing a room. Rally numbers; event organisation; Road Book; souvenirs and awards.

The Organisers reserve the right to accept late entries or refuse entries without giving any reason. An entrant wishing to reserve an entry may do so by forwarding the 'entrant / driver' entry fee only, the 'co-driver / navigator' details and entry fee may follow later. NB. Co-drivers entering after 6th January will not be able to take advantage of the early entry fee discount.

An entrant withdrawing before 6th January 2014 will receive a 75% refund. From 7th January – 1st May: 50%. Entry fees are non-refundable after the entry closing date. A Guild of Motor Endurance member introducing a new entrant, who starts the event, will receive a 10% refund of their entry fee.

9. Navigation:

A Road Book giving navigational instructions will be given to each entrant at the start of the event. The route instructions will be straightforward with Tulip diagrams and distances shown in kilometres. A distance measuring trip meter is highly recommended. Brantz trip meters are available at discount for participants (Brantz Tripmeters, Tel: 01625 669366 sales@brantz.co.uk)

10: Maps

As a back up to the Road Book the detailed maps that cover the route are: Michelin 575 Regional Espana, 1cm=4km. 591 Regional Portugal Nord 1cm=3km. By post: MapShop: 01684 593146.

11. Team Entries:

Teams are invited to enter to demonstrate their combined ability and optimise their resources with spares and assistance. Teams of three cars may enter up to Signing on. There is no team entry fee.

12. Start numbers:

There will be 5 classes divided by engine size: up to 1000cc, 1600cc, 1800cc, 2000cc and over. Daily starting times of improving cars will move forward.

13. Controls:

The event's itinerary will include controls which establish the prescribed route is being followed. There will be a rest period for lunch each day. Any organiser amendments to the route will be given in writing only.

14. Timing:

Timing will be used for the purpose of preventing participants travelling too fast or too slow. The event will be run to scheduled time, i.e. the actual time of day to arrive at a control. The Route Card will give the time of an *imaginary* 'car 0'. Adding your 'starting position each day' to this time will give you your due arrival and departure time at controls.

Reaching as many controls as possible on schedule, together with times on specials, will determine the winners of the Madrid-Vila Real-Madrid. The decision of the observing marshals will be final.

15. Responsibilities: IMPORTANT NOTICE:

All motor sport is potentially dangerous. The Madrid-Vila Real-Madrid presents a demanding challenge to participants and uses roads which may be hazardous. Participants should not enter unless they accept that there is an element of risk to themselves and their car. All cars must slow down when driving through villages and built-up areas. The onus is on participants to drive carefully and safely at all times, and to stop and rest when tired. The organisers accept no responsibility whatsoever for any accident or injury befalling participants and do not undertake to provide rescue or assistance of any kind. All participants will be required to sign the indemnity at signing-on.

16. Assistance:

Assistance or backup vehicles are not permitted. Crews and teams are required to be self sufficient throughout the event. Every effort will be made by Marshals to follow the route, and where time allows give assistance. Participants should make every effort to extricate themselves from any difficulties encountered. Local services should be called upon for help. Finishing is what matters, having a car repaired for a day and taking the next morning re-start is always an option. The Madrid-VilaReal-Madrid is primarily about building or preparing a car capable of completing a testing route.

17. Crew names:

Cars must display the name of the driver and codriver/navigator as stated on the entry form in letters not more than 5 cm high, on each side of the car, just forward of the windscreen. The co-driver/navigators name at the top on the passenger side.

18. Fuel:

Throughout the event, attention should be given to refuelling whenever and wherever possible. If spare fuel is carried, it must be in the correct containers and secured. Fuel containers are not to be carried inside the cockpit. The organisers can not be held responsible for difficulties encountered in obtaining fuel.

19. Insurance:

The Madrid-Vila Real-Madrid is a 'Touring Assembly' and a motorsport competition insurance is not required. Car insurance and vehicle breakdown / repatriation insurance are not included in the entry fee. Personal Travel and Medical Cover are recommended. The Entrant is responsible for ensuring that the car is fully covered by insurance during the event, as required by the Road Traffic Acts of the countries included in the itinerary. Competitors will be asked to sign a declaration, at the start, to this effect. Both members of the crew will also be required to sign a declaration on their entry form indemnifying the organisers from liability.

20. Postponement or cancellation:

The organisers reserve the right to cancel or postpone the event or any part thereof should circumstances arise which make such action desirable or necessary. If the event is abandoned for this or any other reason, the organisers reserve the right to retain a proportion of the entry fee to cover administrative costs incurred to that point.

21. Guild of Motor Endurance Membership:

The highest standard that can be achieved on the Madrid-Vila Real-Madrid is 'Gold'. To attain the Gold standard participants should reach all controls. Missing one will attain Silver, missing two, Bronze. To be classified as a finisher and achieve membership to the Guild of Motor Endurance, participants will need to finish the event, being the same crew and car that started the event, and reach all 'main controls'.

22. Presentations:

Best overall: the 'Madrid-Vila Real-Madrid Trophy'. To the runners-up: a 'Madrid-Vila Real-Madrid Trophy'. Also Madrid-Vila Real-Madrid pewter plates to: The best in each class and the runners-up. Goblets to the members of the winning team. In each case there will be two awards per crew. Madrid-Vila Real-Madrid souvenirs to each competitor.
